Gurukul International School, Balalri	2020
---------------------------------------	------

- CBSE(Class X), Percentage: 74.60

Skills

-
- Soft skills : Communication,Analytical thinker,Team work
 - Technical skillsLanguages: C,Python,HTML,CSS,Javascript
 - Tools: Visual Studio Code.

Projects

QR Scan And Info Retrieval:

This project is a Flask-based web app that allows users to upload images and scan QR codes using OpenCV. It decodes the QR content, displays the result, and automatically opens links if the QR contains a URL.

Daily Dairy:

The Daily Dairy (Milkflow) Project is a management system that helps track milk collection, distribution, billing, and customer details. It simplifies the workflow for dairy owners by recording daily supply, automating invoices, managing payments, and maintaining customer accounts. This project can also generate reports to analyze sales, expenses, and profits, making dairy business operations more efficient and transparent.

TaskFlow Smart AI ChatBot :

TaskFlow Smart AI ChatBot is an AI-powered personal assistant that helps users stay productive, manage tasks, and receive personalized productivity tips. It combines the power of to-do list management with intelligent chat-based guidance, making everyday planning both simple and motivating.
